The following amendment was accepted by the mover and carried :—

"That the University Council be requested to appoint a Committee to investigate into the present condition of the higher education of women in the State and the causes that retard its wider extension and to suggest remedies for the existing defects."

18. *Proposition.*—That a recommendation be made to the Government to amend Section 18 (2) of the University Regulation (page 22 of the University Calendar for 1924-25) as under, so as to make it clear that the Senate is the final University authority on the Budget, before it is submitted to the Government :—

Delete the words "after consideration" occurring in the first line and substitute in their place, the words "as finally passed".

The Section as modified would read as under :—

"(2) The Budget as finally passed by the Senate shall be submitted to Government and it shall be competent to Government to sanction the Budget with such modifications, if any, as they deem fit."
